Who Is Techni-Craft & Why Work For Us

We've been in business for over 20 years and have grown from 5 employees to 50+ and we just keep growing. We provide service for the Convenience Store and Quick Food Restaurant industries for top-notch businesses like 7-Eleven, Husky, Starbucks, McDonalds and Circle K... just to name a few.

What You Will Do

Our service technician teams are the face of our company and we take that seriously. As a Technician, you will be responsible for providing a high level of customer service while providing outstanding repair and maintenance service. We expect our teams to:

- Respond quickly and efficiently to service calls
- Assess and complete repairs accurately and timely
- Interact with our customers to ensure their concerns are handled in a professional and courteous manner
- Effectively complete work orders
- Maintain an orderly and accurate service vehicle parts inventory
- Support your team members on preventative maintenance and service calls

What We Will Do For You

- Excellent wage and benefit package
- RRSP plan
- Exceptional work environment - a true team spirit
- Wide variety of service work
- Service vehicle with an industry leading parts stock
- Smartphone, annual boot allowance, uniforms and major refrigeration tools

What Skills You Must Have

- Exceptional customer service skills with the ability to support and resolve customer concerns
- Willingness to learn and take on new challenges
- Able to work independently and follow company procedures
- Effective English communication skills, both verbal and written
- Valid Class 5 license plus clean driving record
- Shifts may vary and include weekend work
- Occasional day trips to nearby communities and towns or longer-term projects

Get to know us a little better. Check out technicraft.ca and if you like what you see, send us your resume to hireme@technicraft.ca and let's talk. While we appreciate all interest, please only those with experience in the Refrigeration/HVAC industry need apply.
